NEW IMPORTANT INFORMATION >>> SKILLS TESTING

Parents: PLEASE BE SURE YOUR DANCER IS REGISTERED FOR THE CLASS HE/SHE IS PLACED FOR THE FALL SESSION. If there are questions regarding placement, please note that there may be an opportunity for your dancer to participate in a SKILLS TEST in the months of October & November. Dancers AGES 8 & up who may be eligible for a level change, will have a 10 minute meeting with an Elevation Master Teacher and skills testing recording of dancer's progress for each skill noted in the following ranges:

- 1 - Emerging Skill
- 2 - Developing Skill
- 3 - Mastered Skill

In addition to skills, fall placement decisions are made based upon a variety of factors including progress the entire year, dress code, attitude, and attendance. Teachers also work hard to make sure that all individual placements lead to classroom groupings that will work well together in the coming season. **Please note that most dancers will spend at least two years in a level before mastering all of the skills necessary for the next level.** Parent support to help manage expectations goes a long way towards a positive response regardless of which level they are placed in for the fall.

Although opting in for the skills test may not change your dancer's fall placement, it will give you and your dancer a better idea of what needs to happen to get to that next level. Skills testing will be done for all students ages 8 & up in JANUARY 2017. If you have any questions regarding skills testing or placement, please email elizabeth@elevationdancestudio.com. MORE INFO COMING THIS FALL!

National Honor Society for Dance Arts

Elevation Dance Studio is now a **Chapter** in the **NHSDA**.

This is an important way that we can assist our students in grades 9-12 in gaining recognition for their outstanding artistic merit, leadership and academic achievement in the field of dance. Application forms can be downloaded online, along with details as to how you can earn points towards your induction into the NHSDA.

Student Benefits

- Recognition of their artistic merit, academic achievement, and leadership throughout their educational experience (Junior High – Collegiate)
- Certificates at each level of induction, opportunity to wear the gold Honor Pin and blue and white Honor Cord
- Mentorship from Chapter Sponsor and networking with peers leadership and development opportunities within their NHSDA Chapter. Please contact renee@elevationdancestudio.com for more info

WORD OF THE MONTH IS "GRIT"

Firmness of character, indomitable spirit, perseverance and passion
The ability to commit to something and stay focused for the long haul.

Grow your grit by taking on challenge in your classes, setting a goal for yourself and working to achieve that goal. If you want to get that left split work on it in class and at home, stretch everyday when you wake up and before you go to bed. You are capable of anything with hard work.

DRESS CODE

Please refer to our website for the proper dress code for your classes. If a dancer does not come with the proper attire for class, that dancer may not be able to participate. You can purchase ballet slippers, paws and tights from the front desk. If we don't have your size we are happy to include your size in our next order.
